SUBJECT: Campus Based Scholarship Program (CBSP)

1. Purpose: To provide information on the Campus Based Scholarship Program.

2. The Campus Based Scholarship Program gives each Professor of Military Science the authority to award scholarships on their campus. They recruit and select qualified applicants. Cadet Command Headquarters retains responsibility to ensure eligibility. Under the CBSP, each school is allowed a specific number of 2-, 3- and 4-year scholarships. All scholarships pay tuition and fees up to $16,000, a flat rate for books and supplies of $450 and a monthly stipend of $200 each month for up to 10 months. There are ten schools with a limited number of scholarships, which provide tuition and fees up to $20,000.

3. Basic eligibility for scholarships:
   (1) 920 SAT or 19 ACT
   (2) U.S. Citizen
   (3) Participation in extracurricular activities
   (4) Successful interview
   (5) High School GPA 2.0 (4-year scholarship)
   (6) College GPA 2.5 minimum (3- and 2- year scholarships)
   (7) Medical Qualification

4. The scholarship program is designed to provide a level of stability and a cohort for each ROTC program. The program provides the PMS a planning tool that will enhance their probability of achieving required number of commissions. As the scholarship program matures as steady state is achieved, the PMS will be able to predict accurately the minimum scholarship dollar flow at their institution.
